**intro: C Bb F, C Bb F**

### verse

**C**                          **Bb**    **F**  
a tiny place    made of earth,                          a dwelling for our fanta -sies

**C**                          **Bb**    **F**  
a labyrinth    we soar above,                          a passage for rain

**C**    **Bb**    **C**  
invisible threads connecting us: to each other, to earth to stars

### chorus

**G**                          **G7**                  **G**                  **Bb**                  **Bb C**                  **Bb C**  
offer your heart to the water,                  dangle toes    in it

**G**    **G7**                          **Eb**    **Eb**                  **Eb C**                  **Eb C**  
dark is a sweet lovely place,                  the mystery    within it

**F**                  **Eb**    **G**  
still full of    lo-    ve,    still full of    love

**F**                  **Eb**    **G**  
still full of    lo-    ve,    still full of    love

**F Eb G** x2 (solos)

*Repeat verse and chorus*

### outro

**C**    **Bb**  
the tiny things                          are everything

**Bb**                          **G**                  **F**  
the secrets to who we are
